1: There are no coaching sessions currently planned for a Thursday. Therefore, these booking slots will be made available for all members.

2: Colebridge are hoping to enter the junior players into the National Cadet League and National Junior League events. However, it is anticipated that these events will not take place until at least after the New Year.

3: Membership fees for the forthcoming season have been agreed following the AGM.

Senior: £137.50

Young Adult: £57.75

Junior: £27.50

No visitors / casual members are allowed at the club. All players must be fully paid up members only.

4: Local league fixtures, including Birmingham & District, Leamington and Stratford. It is unlikely that the normal 3-a-side matches will resume, due to many venues not being large enough to maintain social distancing, and meet the requirements to be Covid secure. Some leagues are considering a 2-a-side format, and members will be informed of further information about this option once it is received.

5: The committee are working hard in relation to the roof issue. As mentioned at the AGM, the estimated cost involved to replace the roof is £45,000. If any members have contacts / ideas in relation to fundraising or grants, please contact a member of the committee.

Thank you.

General Secretary.
